New Inspection, Maintenance & Testing Exams

Two new exams will be offered beginning October 1, 2010
F-1 Inspection, Maintenance & Testing of Fire Apparatus
E-0 Inspection, Maintenance & Testing of Ambulances

These exams are in line with the comprehensive preventive maintenance document, NFPA 1911 Standard for the Inspection, Maintenance, Testing and Retirement of In-Service Automotive Fire Apparatus, 2007 edition. NFPA 1911 is an outstanding resource for use with your preventive maintenance, testing, and inspection program. The purpose of NFPA 1911 is "to keep emergency response vehicles in safe operating condition and ready for response at all times."

To obtain the EVT Learning Objective and Reference lists, go to www.evtcc.org, then *Exams and Preparation*.

For those working on obtaining EVT Master Level Certifications, the changes below will apply

- In the Fire Apparatus Track & in the Airport Rescue and Fire-Fighting Vehicle Track
 - **F-1 Inspection, Maintenance & Testing of Fire Apparatus** will be a requirement for Level 1
 - ASE T-8 PMI will be eliminated for Level 1
- In the Ambulance Track
 - **E-0 Inspection, Maintenance & Testing of Ambulances** will be a requirement for Level 1

Until January 1 we will accept either the old requirements or the new Level 1 requirements. If you apply for Level 1 after January 1, 2011, you will be required to have the EVT F-1 in Fire Apparatus and ARFF tracks in place of the ASE T-8 and the E-0 will be required in the Ambulance Track.

For the new EVT Level Application Form go to www.evtcc.org, then *download EVT Level Application Form* or call the EVT office to have one sent to you.

EVTCC Fall 2010 Nationwide Test Date is Saturday, October 16

Information enclosed on the following pages

- ▶ Exam Registration Form
- ▶ Nationwide Test Site List for October-**deadline to register is Sept 25**
- ▶ Special Test Dates at shows & seminars on cover

Register early enough to allow time to order and receive reference material and to have adequate time to study.

The Exam Registration Form must be received in the EVTCC office at least 21 days before the exam date.

You will receive a confirmation letter with a reference and objective list within two weeks.
